10th October 2025

Dear Sixth Class Pupils, Parents and Guardians,

This may be a time of decision for you as you consider your or your child's future education. As a parent myself I know you want what is best for your children and to that end we welcome you to join us here in Glenamaddy Community School.

We understand that moving to Secondary School is an exciting step. In our school, girls and boys can grow and learn together in a happy and safe environment. We cater for all students by placing priority on their needs. We offer a wide range of subjects, academic, vocational and pastoral. Our Learning Support programme and Belle Menti class are an integral part of our curriculum.

Our range of extra-curricular activities reflects the powerful work being done in our parishes. If your daughter or son enjoys sports, the company of books or computers, would like to be part of a school musical, enter competitions or educational trips we will look after them.

We welcome you to our **Open Night on Wednesday, November 12th from 5pm - 7pm**. You will get a chance to tour our school and meet our students and staff. Should you wish to enrol your son/daughter for 2026 we will explain the process on Open Night. The enrolment is online, and will be available on our website www.glenamaddycs.ie from that night onwards.

If you wish to bring a birth cert on Open Night, we endeavour to copy and return it to you on the night. This can be done at a later stage, if that suits you better. **Please enrol online on or before Wednesday, December 10th 2025.**

Should you indicate on the Enrolment Form an additional need/exemption we will follow up with you to discuss and plan. If your son/daughter is applying for a place in a Special Class, please see Ms. Tish McGann.

Later in the year enrolled students will be invited to an Induction Day to sample school life here. Information regarding school uniforms, lockers, books, iPads, calendar will be communicated.

Students and their parents/guardians are welcome to visit the school to look around most anytime by appointment. If you have any query, please let us know by calling the office on 094 9659315 or email reception@glencs.ie. We are here to help in any way we can.

Yours sincerely,

James Duignan
Principal
